Manual folding machines - MB-1000H

The MB folders model MB 700H - 1300H are easy to operate, light, manual machines particularly suited for folding of the thin sheet metals.

The machines are offered with clamping bar: H - high and narrow for U-profile.

It is easy to remove the under-frame for transportation or bench mounting.

A bench mounting kit is available as optional equipment.

All folding machines can now be easily convert from L - low to H - high or S - with segments with the additional tooling.

The MB-H models with their high clamping beam are ideally suited for where tall channels or narrow profiles need to be produced.

Optional equipment includes:

Back gauge, radius blades R=2,5 mm and a bench mounting kit.
